Name of thesis supervisor (if applicable)			

Studies for second degree (e.g. Master, Laurea)

Type (e.g. MSc, M.A., Other)	Subject area of study (field/topic)	University / college	City and Country
Period of study (from-to)		Date of degree (if known)	Grade/mark of degree (if known)
Title of thesis (if applicable)			
Name of thesis supervisor (if applicable)			

4. Areas of interest for your doctoral research

Branches

Select one (or maybe two) of the three branches within the doctoral school VISESS where your interest lays (see https://visess.univie.ac.at/about-visess/ for more information about the branches).

Select branch(es)	Cosmos	Earth	Anthroposphere
-------------------	--------	-------	----------------

Projects / Interests

Potential PhD projects provided by supervisors within VISESS are listed here: https://visess.univie.ac.at/how-to-apply/phd-projects/.

Select up to 3 of the listed potential PhD projects. You can also indicate your interest in more general terms (e.g., "theory including numerical simulations", "observations including spectroscopy", "socio-economic transformation", "migration", "innovation policies" etc.)

Projects

General research interests

--

5. Course work

List briefly the core courses (with grades in brackets) you have taken and which are relevant to your intended doctoral studies.

Core courses

--

6. Research experience

Describe in a crisp and clear way your research experiences so far. Indicate the aims of the research projects and your personal contribution. State the period of time involved and list potential publications.

Note that this section is typically very important for potential supervisors for their selection of candidates.

Research experience

7. Motivation doctoral study at VISESS

Summarise why you want to do a doctoral study and what you find attractive about VISESS.

Motivation

8. References

Give below the information of two persons whom we might contact to provide a reference (oral or written) for you. Note that at this point we are NOT requesting a reference (letter).

Referee 1

SURNAME, First name(s)	Academic degree	Affiliation	E-Mail

Referee 2

SURNAME, First name(s)	Academic degree	Affiliation	E-Mail

9. Starting date:

In case your application is successful, indicate your earliest possible starting date and preferred starting date.

Earliest starting date	Preferred starting date

10. Other information

Here you can provide additional information in support of your application, like for example scholarships or rewards that you might have received.
